

**Do you want...**

- an opportunity to have your say about FCE
- FREE lunch voucher to spend at Source Outlets
- A Letter of thanks for your participation from the FCE Associate Dean (something for the CV!)
- Light refreshments

Then participate in one of the short focus group sessions being run by the FCE Student Forum!

**What is the Faculty of Commerce and Economics (FCE) Student Forum?**

The inaugural FCE Student Forum 2006 aims to provide students with an opportunity to have their opinions heard about things that were good and ugly: campus life – skills you've developed – job prospects - and more! The Forum is being independently organised by your elected FCE Student Representatives and will form the basis of recommendations to Faculty and will be used to initiate changes within the Faculty.

As a 3rd year commerce or economics student, you have the opportunity to participate in one of our series of small focus groups of 8-10 people and can be assured that your opinions will be kept confidential and anonymous.

**Get Registered!**

To register as a participant, email us at [fcestudentforums@gmail.com](mailto:fcestudentforums@gmail.com) with two preferred 60 minute session times from the list below (you will only be required to attend one session). You will then receive a confirmation email from us.
